- \* Subject to Surcharge

**Extras (Order Separately)**

**SSP 120** 4KV 120V MOV1 Surge Suppressor

NOTES: When illuminated by certain light sources, a "shadow" may be visible at the bottom of Seamless White Acrylic globes (WACS). This is a result of the rotational molding process, NOT a manufacturing defect. While 2-piece (WAC2) are shadowless, the buffed seam is slightly visible.
