

**Area/Bollard LT237** H: 42.5 W: 16.25

**Description**

This is a beautiful, yet extremely durable fixture. With precise detailing and trim, this series of area lights provides the perfect design for those applications with high visibility. The round LED Lantern emits up to 6,000 lumens while using only 60 watts. The body can be ordered in black, white or bronze, while the acrylic lens is available in either white or clear. This is the larger version of LT236, with a diameter of 16.25".
